The maximum time allowed for a stage is the total of all available targets/miss penalties plus 30 seconds. (Example: 5 seconds each for all available targets (10 rifle, 10 pistol, 4 shotgun = 24 targets x 5 seconds = 120 seconds. Add 30 seconds for a maximum score of 150 seconds). The score for a SDQ is the maximum allowed time for that stage, as per the above description for calculating maximum allowed time. The score for a DNF (not finishing a stage) is the same as a Stage Disqualification penalty — the maximum allowed time for that stage.
